

Environmental Policy

LA UNICA SALON is committed to maintaining and improving its environmental performance. Our aims are to minimise any effect that our activities may have on the environment.

To achieve these aims LA UNICA SALON will:

- Ensure that all environmental laws, regulations, standards and codes are adhered to as a minimum standard of compliance.
- Take all reasonable steps to prevent pollution and protect the environment.
- Ensure that all reasonable steps to are taken to prevent an incident from occurring.
- Encourage and foster an environmentally aware culture amongst all employees, contractors.
- Encourage environmentally sound practices by suppliers of raw material and customers of our services.
- Ensure that all necessary pollution control measures are in place and are regularly checked and maintained to minimise the risk of an environmental incident.
- Ensure that prior to the completion of a contract, all contract waste has been removed.
- Foster openness in our response to community concerns and queries about the - potential environmental impact of our operational procedures.
- LA UNICA SALON have implemented a recycling campaign for all our foil, colour tubes and aluminium cans to be recycled. All our proceeds from recycling our aluminium will be donated to charity. **No Foil In Our Soil...!**
- A worm farm has been built on the premises, so that the natural hair and organic waste products have a refuse.

LA UNICA SALON considers the protection of native flora and fauna as a high priority, employees, contractors, and visitors are expected to respect and avoid disturbing any environment which may cause harm, or have a negative environmental impact.

All chemical stock wastage is to be collected and disposed of in the garbage.

No chemicals are to be washed down the sinks.
